## Original End of Days Text Begins Tour of Andophael

By Hierophant Andelo Kopač  
Endorsed by Exarch Purist Pelax

The only copy of the famous End of Days Prophecy has begun its tour of the Holy Planet of The One True Church, Andophael.

The 'Book of the Lost Shepherd,' a three page text written by an unknown High Exarch during the period of The Scream, details what will happen to Humanity when the End of Days finally comes upon us.

Also known colloquially as 'That Final Sunset,' the document is one of the cornerstones of the Sacred Texts, and is the chosen topic of study for clergy from every branch of the High Church.

A digital copy of the text can be found [here](#).

"We wanted to ensure that the Faithful within the Sector get a chance to see this relic up close," said Lector Matteo Bracho de Seichi, Head of Operations for the Tour. "We are living in a time where miscommunication and false headlines are propagated by ailing media networks, we want to show people that the Word of the Ever All is not only real, it is within touching distance."

The tour will initially be confined to the Holy Planet, but may find very well find its tenure extended, given how quickly tickets to see the relic have sold out.
